EL DORADO COUNTY'S ONLY DAILY NEWSPAPER

VOLUME XLVIII

PLACERVILLE, EL DORADO COUNTY, CALIFORNIA, WEDNESDAY, MAY 11, 1938

NUMBER 110

Signs of Spring—The state highway crew with its rotary plow, clearing snow from the highway across the Echo Summit, advanced three-tenths of a mile Tuesday and stopped work for the day near the 48-mile stone with a snow depth of 60 inches. Eldorado forest, under date of May 10, reminds recreationists that effective May 15 and continuing until October 15 camp fire permits will be required for all persons building fires within the forest; a shovel and axe must be carried by each automobile or pack train camping in the forest; and smoking in the forest is forbidden, except at camps, places of habitation and especially posted areas. Rod and Gun Club memberships at \$1.00 a year are being received by the secretary, John A. Winkelman.

Another "sign of Spring" is the arrival of transient solicitors with their propositions. It is a pretty good idea for the people who are solicited to ask to see the Chamber of Commerce endorsement of the proposition. If the visitor does not have it, you can save yourself time and probably money, too, by cutting off the sales talk right there.

If the solicitor does get the C. of C. endorsement, you still use your own judgment as to whether the proposition is a "deal."

Rudolph Kunigk was a caller from Coloma on Wednesday.

Forest Supervisor Smith was at Georgetown Ranger Station Wednesday.

Police Judge and Mrs. E. E. Creed returned Tuesday evening from a visit of about six weeks to Ohio and Kentucky.

Charles Brandon was in town Wednesday from the Latrobe district.

Mrs. C. E. Roberts and daughter, Joan, of Coalinga, were here Tuesday and Wednesday visiting Mrs. Roberts' brother and wife, Mr. and Mrs. Ed. Willis.

Audrey Clott filed suit for divorce Wednesday from Elroy Clott, whom she wed at Minot, North Dakota, January 27, 1936. The couple separated on November 3, last. They have no children and community property consists of an automobile. The complaint, prepared by Attorney C. W. Pearson, charges general grounds of cruelty.

V. H. Hamilton was a caller from Camino on Wednesday.

Raymond Miller, charged with reckless driving, pleaded guilty in Police Court Wednesday morning and paid a fine of \$25.

James Kelly was a caller in the county seat Wednesday from Kelsey.

Lyman A. Bender was a caller Wednesday from Pleasant Valley.

W. W. Jennings was in town from the Garden Valley district Wednesday.

California Grove No. 1, Druids, has endorsed a proposal to establish a museum for the preservation of pioneer relics. We are glad to see this matter getting support. There ought to be something done about preserving our remaining relics before they get away from us.

Charles W. Doe, Jr., was a caller from Diamond Wednesday.

Mrs. Martin Luther, Mrs. Wilder Immel, Mrs. H. E. Hollenbeck and other members of the Placerville P. T. A., were at Sacramento Wednesday attending a Third District meeting.

City Attorney Thomas Maul returned from San Francisco Wednesday noon, but the City Council won't meet tonight because the Mayor's away — "dunking worms."

The last of the winter and spring series of card parties given by Marguerite Parlor No. 12, Native Daughters of the Golden West, for the benefit of their homeless children's fund, will be held tonight at regularly scheduled.

MOODY WINS

LONDON, (UP)—Mrs. Helen Willis Moody scored another easy victory in the North London hard court tennis championships today when she eliminated Miss Honor Bullen 6-1, 6-0 in a third round match.

DE MOLAYS TO CONVENTION

12 Members Of El Dorado Chapter Leave For Reno Thursday By Auto Stage

Twelve members of El Dorado Chapter, Order of DeMolay, will be joined Thursday morning by three members of the newly instituted chapter at Sutter Creek to go in a chartered stage of the Pierce-Arrow lines to Reno where the annual meeting of the Northern California and Nevada chapter of the order will be held Friday, Saturday and Sunday.

Edward Sayers, state master counselor, of Placerville, will preside and Harold Duden, state scribe-treasurer, also will attend and take part in the meeting.

Delegates from El Dorado Chapter are Arthur Hackwood, master counselor, and Elwin Scheiber, junior counselor.

In addition, they will be accompanied by Loren Dahl, Albert Frey, Bart E. Ekw, Robert Veerkamp, Charles Colridge, George Smith, Joe Ronzone and Bill Sayers.

Amador Chapter, of Sutter Creek, will send Fred Joyce, master counselor; Warren Plamondon, senior counselor; and Dan Root.

Convention sessions open Friday morning and on Friday evening the DeMolay degree team of El Dorado Chapter will confer the DeMolay degree before the convention.

Sunday morning services, which will be held at Mackey Field, on the University of Nevada campus, will be broadcast by radio station KOH, Reno, from ten o'clock until noon. The service will be open to the public and will include the ceremony of conferring the Order of Chevalier.

Druids Endorse Sieg Museum

California Grove Approves Proposed Museum On Site Of St. Francis Hotel

A proposal to establish a museum on the site of Frederick Sieg's establishment, where the first grove of Druids in California was organized, was endorsed by California Grove No. 1, Druids, at its regular meeting Tuesday evening.

Frederick Sieg, a Placerville pioneer, was the funder of Druidism in California and the first grove in the state was formed at Sieg's place of business, on Coloma Street at Center Street.

The site in later years and until the fire of a year ago was occupied by the St. Francis Hotel.

District Attorney Henry S. Lyon, a member of the grove addressed the meeting on the subject of the museum and the plan met with instantaneous support.

The grove initiated a class of four candidates, Merco Petach, George Colup, Alfred St. John and T. D. Hansen, and made plans for another class initiation at the next regular meeting on May 24. Fred Peaslock, special deputy Noble Arch, was a visitor at the meeting.

85 IN ATTENDANCE AT CAMINO CENTER ON TUESDAY NIGHT

The regular meeting of the Camino Farm center was held at the clubhouse at Camino on Tuesday evening. There were eighty-five in attendance.

The program, presided over by the center chairman, W. P. Fassett, was as follows:

"The Star Spangled Banner," by vocal sextet, Mario and Johnnie Federici, Iris Hottinger, Jacqueline Coker, Virginia Cullers and W. P. Fassett; song, Stanley Woodridge; discussion on "Cultivation and Irrigation," Farm Advisor Lilley; instrumental trio, Mrs. William Larsen, Mrs. Gladys Cox and Ellis Cox; cornet solo, Harry Wulff; discussion of Wooden Box campaign, by Earl Sargent, secretary of the El Dorado Wooden Box & Lumber Employees' Association; vocal solo, Lorraine Cullers; motion pictures by the Farm Advisor; and a duet by Mrs. Frances Riud and Lorena Spencer.

At the close of the meeting refreshments were served by a committee including Mesdames Coker, Schaffer, Wilson, Yenson and Hamilton.

NORTH MEETS SOUTH—In a statewide high school student public speaking contest Elizabeth Hoyt of Sacramento, left, will vie with Catherine Bourland of Los Angeles, for state public speaking championship. These finalists compete in San Jose on opening day of the 61st annual Grand Parlor N. S. G. W., on May 16th. Inset shows Eldred L. Meyer, of Santa Monica, Grand President of the Native Sons, who presides over the convention.

"OLD AND NEW" IN MAIL TRANSPORTATION LINKED FOR NATIONAL AIR MAIL WEEK

Postmaster Scherrer Will Commission Pony Express Rider And Air Mail Pilot In Unique Placerville Observance Of Twentieth Anniversary Of National Air Mail Service

A combination of the old and the new is fast mail transportation will be demonstrated on Thursday, May 19, when Postmaster Joseph Scherrer will commission a Pony Express rider and an air mail pilot.

These events will take place on Pick-up Day during National Air Mail Week May 15 to 21, which is set aside to celebrate the twentieth anniversary of the inauguration of the air mail service.

On Pick-up Day, Postmaster Scherrer will swear in W. E. Bowman as special carrier to ride with a pouch of regular air mail from the post-office to the Placerville Airport. Mr. Bowman has come to be recognized as the popular present day version of the picturesque mail carrier of the early days of the West.

Upon receiving the mail pouch from Postmaster Scherrer, Bowman will speed to the airport where Jack Gianelli, well known local private flier, will have his plane in readiness to carry the mail on the second lap of its unusual journey.

Gianelli, enthusiastic flier, is president of the Hangtown Hawks, an organization of local pilots.

SHOVEL AND AXE RULE IN EFFECT ON MAY 15

A bulletin issued Tuesday at Eldorado Forest headquarters calls attention to special regulations effective in the forest beginning Sunday, May 15, and continuing until October 15.

The regulations require that all persons building fires within the forest must have campfire permits, which may be obtained from the Forest headquarters or from any ranger station.

All automobile parties camping in the forest and all pack trains camping in the forest must be equipped with a shovel and axe.

Smoking within the forest is forbidden, except at camp grounds or other places of habitation, or in certain special posted smoking areas.

FARM BUREAU MEETINGS FOR BALANCE OF MAY ARE SCHEDULED

The schedule of meetings of groups connected with the county Farm Bureau for the balance of the current month was announced Wednesday as follows:

County Farm Bureau directors meet Thursday night at the Farm Advisor's office;

Rescue Center meets on Friday night, May 13th;

County 4-H Club Council meets on Wednesday night, May 18, at the Farm Advisor's office;

Kelsey Center meets on May 20 and Missouri Flat center meets on May 27.

NATIONAL AIR MAIL WEEK 1918-1938

THIS SPECIAL CACHET for National Air Mail Week, May 15-21, will be placed on all air mail leaving the Placerville post office in connection with the special Air Mail Week observance on Thursday, May 19.

Mrs. Dora Wood Rites Thursday

Services Will Be At Memory Chapel With Entombment At East Lawn, Sacramento

The funeral services for Mrs. Dora Wood, who died Tuesday, will be held on Thursday afternoon from Memory Chapel.

The Rev. Rex A. Barron, of the Church of Our Saviour, will officiate and following the services the body will be removed to East Lawn Mausoleum, Sacramento, for entombment.

Mrs. Wood's passing followed a serious illness of about two weeks.

WINKELMAN TO ATTEND HORTICULTURAL AGENTS' MEET

County Agricultural Commission J. A. Winkelman will leave May 17 for Santa Barbara to attend the annual convention of the State Association of County Agricultural Commissioners on May 18, 19 and 20.

Many phases of the work performed for agriculture by the county agricultural commissioners will be discussed by outstanding speakers, including representatives of several federal and state departments.

The purpose of the organization is to promote unity and efficiency among the County Agricultural Commissioners, uniformity in methods and practice of enforcing agricultural laws and to develop and maintain close cooperative relations with the state and federal department of agriculture.

63 Pound Bass Sets New Avalon Record

AVALON, Santa Catalina Island, (UP)—Tommy Cuthbertson pointed with pride today to a 63 pound record white sea bass he pulled from Santa Catalina waters, when trolling from a rowboat yesterday with an 80 foot line. The previous record was 60 pounds.

WEATHER

Fair tonight and Thursday; moderate temperature; high 78; low 42.

TOURIST GARAGE WILL CLOSE

AAA Service Transferred To Cannon Chevrolet Agency Effective Saturday

John Dugan, proprietor of the Tourist Garage since 1925 and one of the oldest automobile dealers in the county in point of years in the business, is preparing to close out.

Co-incidental with an announcement Wednesday that effective May 15 the emergency road service of the California State Automobile Association will be handled by the Cannon Chevrolet Agency, it was learned that Mr. Dugan is preparing to vacate the Tourist Garage over the week-end.

His business headquarters will be established in the quarters on Main Street opposite Dillinger's store, recently vacated by J. H. Rhodes, and over a period of months Mr. Dugan will close his automobile business.

Mr. Dugan was at Sacramento Wednesday morning and could not be reached for a statement as to his plans. It was learned that he had opened the Tourist Garage in 1925 and prior to that time had been in the automobile business at Camino.

Frank R. Hull, resident agent for the auto association, announced that Lloyd Cannon, the new roadside service agent is purchasing entire new equipment including a new tow car with a power crane and that the association's emergency roadside service will be operated from that agency on and after May 15th.

The Tourist Garage property is owned by the heirs of the Sweeney estate, of Gold Hill. Various reports concerning the future of the property were in circulation Wednesday morning but no transaction concerning the garage has yet appeared of record.

Softball Play Opens May 23

Six-Club Girls' Division Formed With 16 Teams In Two Divisions For Men

At the meeting of the managers and executive committee of the County Soft Ball League Tuesday evening, the date for the opening of the League was advanced from May 30 to May 23. Plans for a suitable Grand Opening on that day have been left in the hands of secretary Wallace M. Ripley with a suggestion of a street parade to include approximately three hundred fifty players, the high school band and various city and county officials.

In the reports of the various committees the committee on lights reported that the poles have all been set and that lights will be installed by the end of this week. The committee on umpires has submitted a list of several names which includes Neal, Sweezy, Prince, Baker and Liddicoat. The committee on concessions recommended the deferring of granting a concession for refreshments to allow the committee more time to investigate various factors on this question.

The recommendations of the executive committee for the nominal payment of umpires and gate keepers were approved. L. J. Anderson reported that the supervisors have voted to pay for the lighting expense of the park during the league games. The secretary (Turn to page 3)

17th Birthday Occasion For Party Saturday

Saturday evening a birthday dinner and party was given at the home of Mr. and Mrs. Stephenson on Canal St., in honor of the seventeenth birthday anniversary of their daughter, Rose Marie Koerner.

Games and dancing were enjoyed by the young folks present and dainty luncheon was served at midnight. The honored young lady was the recipient of many beautiful and useful gifts as a token of her popularity.

In addition to the hosts mentioned, the following were present:

Misses Mary Koerner, Jane Tremayne, Constance Taylor, Maxine Hockett, Madeline Bathurst, Helen Bathurst, Alice Zueger, Dick Wilbanks, David Juster, Kenneth Juster, Royal Bachman, Rance McFarland, Virgil Gearheart, James Neeley, Charles Malone, Robert Rhodes and Mr. and Mrs. Ernest Keller.

Forensic Duel On May 16th

Finals In N. S. G. W. Public Speaking Contest Will Be Held At 61st Grand Parlor

SAN JOSE. — A forensic duel between two high school girls for state championship honor in the high school student public speaking contest on California history will be one of the feature attractions open to the public at the 61st annual Grand Parlor meeting of the Native Sons of the Golden West to be held May 16th to 19th.

Following local and semi-final student speaking contests in most every county in the state Miss Elizabeth Hoyt of Sacramento will represent northern California and Miss Catherine Bourland of the John C. Fremont high school in Los Angeles will represent the southern part of California in the first state-wide contest conducted by the Native Sons of the Golden West.

The forensic contest will be held on the afternoon of May 16 in the San Jose Civic auditorium. The Los Angeles contestant will speak on "John C. Fremont, Soldier of the West" while the Sacramento girl will tell of "John Bidwell—The Prince of Pioneers."

Several thousand Native Sons from every local Parlor in California are expected to attend the four day state-wide convention. Eldred L. Meyer, of Santa Monica, Grand President of the Order will preside at Grand Parlor sessions. Next year's Grand President to be elected at the convention is expected to be Joseph J. McShane, of San Francisco, now Grand First Vice President.

Many Native Sons attending the Grand Parlor are bringing their families it was reported by W. P. Isham, who is general chairman of the host committee.

PLACERVILLE NATIVE IS LAID AT REST ON WEDNESDAY

The body of Arthur James Williams, 60, who died May 7 at San Francisco, was laid at rest at Union Cemetery Wednesday morning under the direction of the M. O'Keefe mortuary chapel. There were no services, rites having been held previously at San Francisco.

The statistical data available shows that Mr. Williams was a native of Placerville who made his home in this community until about forty years ago, when he moved to the Bay District. He had been a sawyer and lumber mill employee.

His surviving family includes one daughter, Mrs. Alice Heckford, of San Francisco.

QUAKE RECORDED

PASADENA, (UP)—The seismological laboratory of the California Institute of Technology today reported an earth quake of considerable intensity recorded at 6:49 a. m. Distance from Pasadena was estimated at between 1000 and 2000 miles.

PARADE OF SPORTS

By HENRY McLEMORE
(United Press Staff Writer)

LOUISVILLE, Ky. (U)—Derby memories (by good times out of mint juleps); the charm and the hospitality, the plush lawn and the giant beeches; the old friends, and the older Bourbon; the barbecue and burgeo, and all the other things that go to make up party day at The Forest, Mr. and Mrs. San Friedman's country home in Anchorage, Kentucky.

This party gives you the feeling of the old south as much as the derby itself.

Governor "Happy" Chandler, the statesman crooner, leading the singing of "My Old Kentucky Home" at the party, and everyone joining in, even the darkies, standing over the flaming barbecue pits. Senator Clyde Herring, of Iowa, stricken by state jealousy, teaching "That's Where the Tall Corn Grows" (with gestures) to a group of Kentuckians.

In the Churchill Downs club house, just after the derby, Ben Jones of Parnell, trainer of Lawrin, handing out roses from the blanket draped over the winner in the unsaddling ring. A shy, a man close to the soil, Ben was overcome by it all. Hearing him whisper to a friend; "Gee, can you imagine. Folks are coming up to me and asking me to write my name on their programs."

Trying to find Eddie Arcaro, who rode Lawrin, after the race to ask him if there was any truth in the report that he had mistaken the position of the finish line and eased Lawrin up before the judges stand was passed. Finding that Eddie had not even taken time to jump under the showers after the race before bolting for a plane, New York, his wife, and Belmont Park.

Talking with Buddy Fogelson, Dallas oil man, and my favorite racing owner. Buddy will buy nothing but gray horses. His stable is filled with them. He tells you "They are so much easier to follow when they're running. I can always pick them out." Dick Andrade, another Texan, and winner of this year's derby prize for not going to bed. To be sure that he didn't go to bed Dick kept two bands playing in his Kentucky Hotel suits, night and day.

Colonel Matt Winn and Colonel Dan O'Sullivan, the boys who put the derby over, accepting the congratulations of a record breaking crowd. The cop on the corner telling me in the middle of derby eve festivity that he and his brother cops had no trouble with intoxicated persons during derby week because the entire crowd was so good natured. He made one exception, however—the big politicians who "got tanked up and then threaten to get your job if you put a hand on 'em."

Age Theories Upset In Wood Petrification

COALINGA, (U)—The discovery of a piece of petrified wood here with a screw in it and a hole where undoubtedly another screw had been has upset all previously existing theories of the length of time required for petrification to take place.

To date, it has been generally accepted that 500 years were required for a piece of wood to petrify. The fact that screws were not in general use until about 100 years ago would seem to indicate, judging from the find here, that petrification may take place in a much shorter time.

W. Rawlins has bought the eighty-acre Graves ranch near Oland, Glenn county, and will start a dairy.

The embarrassment and fright of the gaudily dressed herald who rode out to call the derby field on the track. One toot of his golden trumpet and his horse reared up, all but unseating his rider, who threw down the trumpet and held on for dear life. And for the first time in memory the horses came out for the parade to the post without a bugle call.

Joe Williams, New York Sports editor, giving his reason for picking the Fighting Fox. A sinus victim, Williams diligently used a cure given him by "Sunny Jim" Fitzsimmons, trainer of Fighting Fox. He had inhaled the remedy for several days before he discovered it was the same balm given Fighting Fox when the colt developed a cold.

"I cannot desert a stablemate," Williams said.

TRUCK RATES HEARING AT SACRAMENTO ON MAY 20TH

A hearing for a discussion of the new rates which have been in effect since April 1 for truck and stage lines operating in the Placerville vicinity, will be held in the Supervisors' room at the Sacramento County Courthouse at Sacramento on the evening of Friday, May 20th, at 7:30 o'clock.

Announcement of the meeting was made in Placerville Tuesday afternoon by A. C. Seidel, investigator in the truck and stage division for the state railroad commission.

It was indicated that truck operators may not thoroughly understand the new rates and that the purpose of the scheduled hearing will be to explain them, following which active enforcement of the rates may be expected.

"Mechanical Lung" Is Made Of Junk

SEATTLE (U)—Martin Cohn, garage-man, has made a "mechanical lung" from an old sewing machine, some sheet metal, automobile parts and a few pieces of rubber tubing.

The contrivance functions the same way as do the "iron lungs" that are used in keeping alive persons whose lungs are affected by infantile paralysis. It has a plate that fits over a patient's breast. A motor creates a vacuum under the breasteplate, causing the patient's lungs to expand and inhale. Air than is pumped back into the space between the plate and the breast, forcing the patient to exhale.

The sheriff of Kern county has assigned part of his force to protect livestock.

Softball Play Opens May 23

(Continued from page one)
was instructed to send an expression of appreciation to the supervisors for this assistance. By a vote of eight to five the public address system concession was awarded to Wallace Denman. A resolution of thanks to the officers and men of the P. G. & E. and the Orelli Electric Company for their contribution of labor and equipment was unanimously passed.

With the exercising of its option made on April 26, Diamond Springs will be represented by two teams, making a total of sixteen teams in the League. It was voted that the League shall be closed this season with that number of teams and that the Snow-line CCC camp be given the first option in case a vacancy shall occur during the season.

Six girls teams have been officially entered. These teams are Diamond Springs, Placerville Cleaners, Smiths Flat, Eagles Auxiliary, and two teams from Placerville which have not yet adopted names. It is understood that one of these Placerville teams is being sponsored by Jack Rhodes and that the other team is seeking a sponsor.

In cooperation with the May Day picnic committee of the Chamber of Commerce, the following teams were selected and have agreed to play exhibition games Saturday afternoon beginning at one o'clock: Diamond Springs Girls will play the Placerville Girls sponsored by Jack Rhodes; the Pacific Employees Service Association will play the Forest Service team; and the big event of the afternoon will be between Camino and Diamond Springs.

Upon request of the secretary, Walter Dooley was appointed assistant secretary of the league. Louis Reeder was appointed a committee of one to arrange for a suitable score board to be used at the league games. It was voted to request the board of supervisors to have a pay telephone station installed at the ball park.

The next meeting of the league will take place Tuesday May 17 at the office of the P. G. & E. at which time the selection of teams to play in the A and B divisions will be announced for the first half of the season.

Kiss While Motoring Fine Legal Point

VISALIA. (AP)—California law makes it necessary for Miss Lillian Johns to establish in court whether an alleged effort by Dale Sterling Smith to kiss her while driving a car was wilful mischief or just plain negligence. The car turned over during the osculatory process and Miss Johns suffered injuries for which she asked \$25,000 damages, charging negligence.

However, the court held that under the California law a guest in a car cannot claim damages for negligence, she must establish if the kissing constituted wilful mischief.

QUEEN OF PREAKNESS BALL—One of Baltimore's prettiest women has been elected queen of the annual Preakness Ball, to be held on May 14th, on the evening of the historic racing classic at Pimlico. Shown above, she is Miss Augusta Poe, blonde, statuesque daughter of the Edwin Wingate Poes and member of one of Maryland's oldest families. She made her debut two years ago.

Painting

The outside walls of a house and the inside require different kinds of paint and the same is true of floors, roofs, and cement. Specify, when buying paint what use you will make of it.

Walls and woodwork should be thoroughly washed before new paint is applied. A little ammonia in a mild suds will help in removing the dirt. Fill all cracks with plaster of Paris and all

nail holes with putty. Remove loose paint from a peeled wall before painting the wall.

For porch floors use extra good paint as it must stand hard usage. Paint for cement floors is expensive, as to first cost, but lasts a long time. If your house needs painting, don't put it off, put it on. It is cheaper to paint before it is badly needed.

If you wish to combine left-over paints and enamel paints but lacquer will not mix with other paints. It is well to mix your paint and let it stand

"PRICE OF PROGRESS" IS TOLD BY PIONEER

QUEETS, Wash., (AP)—There is no more frontier on the Olympic peninsula, long a tangled wilderness for civilization has arrived in the Queets, Clearwater and Hoh counties, according to George Northrup, pioneer isn't entirely satisfactory, Northrup said.

"We have a lot of things we didn't use to have," he said, "but not all of them have proved desirable. There is no doubt but that the roads are handy, that our homes are more comfortable, that we can enjoy automobiles and run into town for a movie—but on the other hand we have the padlock the undesirable visitors who make them necessary and the ever-present traffic dangers which automobiles brought."

"In the old days when we were isolated and the only road was a trail and saddle horse was the fastest mode of travel, no one thought of locking doors. The settlers were like a big family. Sometimes we had little family quarrels, but they soon were forgotten in the general affection."

Civic Pride Strained Over 75,000 Prunes

SANTA CLARA, (AP)—Prunes have strained the diplomatic relations between the Chambers of Commerce of this city and neighboring San Jose.

When the San Jose State College football team went to Hawaii to play, the Chamber of Commerce sent along 75,000 prunes, each one nicely wrapped in a little paper bearing the inscription, "San Jose Products."

The Santa Clara Chamber of Commerce charges that all of the 75,000 prunes were grown in the Santa Clara valley.

A day before it is used, then try it out on a surface similar to the one to be painted.

A new and rather interesting fad is to paper a room wall on three sides and paint it on the fourth or paint three sides one color and the fourth a different shade. One should use good judgment in such innovations. A cellar, whitewashed or painted white, will be lighter and easier to keep clean.

6 Autos Crash As Dog Crosses Highway

ZOARVILLE, O., (AP)—Six automobiles were damaged and two girls injured when a dog walked across the road causing a motorist to skid to avoid hitting him. A truck slid into the car, then another car struck the truck, and a fourth car hit the second.

No sooner had the wreckage been cleared than a fifth car skidded to avoid the jam at the accident.

Then a sixth car hit the fifth. The two girls, riding in the fourth car, suffered minor injuries.

Miners Take Turns At Serving Sentences

DENVER, (AP)—The law has been tempered with the lenient of human welfare.

Federal Judge J. Foster Symes sentenced A. E. Dalla, 38, and Matt Barcatta, 33, to six months in jail for making false affidavits to the Federal mint here concerning operations of the gold mine near Silverton, Colo., which they work jointly.

To prevent closing the mine and also to permit Barcatta to earn a livelihood for his wife and child, Judge Symes ruled that the men take turns in serving the sentences.

Air Mail Week Plans Told

(Continued from page 1)
organization of approximately a dozen local pilots. The ship which he will fly is an Eagle Rock three place open bi-plane and is capable of a top speed of one hundred miles an hour. The mail will be flown to the Sacramento Municipal Airport where a suitable reception by city and post office officials has been planned.

Various other local activities will take place during Air Mail Week which has been preceded by an essay contest on this subject in the county high school.

In addition to the regular publicity a special air mail cachet has been provided by Norman H. Robotnam, publisher of The Pony Express Courier. This cachet is in two sections, depicting the old pony express rider of early Hangtown days in one section, and the present-day air mail plane of modern Placerville in the second section.

Collectors who wish covers of this cancellation may send their letters to Postmaster Scherrer, who will attend to mailing them on the "Pick-up Day."

America Called Leader In Farm Extension

ITHICA, N.Y. (UP)—The United States stands ahead of most other countries in agricultural extension, or the education of farmers on the land, according to Professor Bristow Adams of the New York State College of Agriculture.

Prof. Adams, who recently returned from a world tour, studied the extension methods employed in the more progressive countries south of the equator.

Greatest progress, he said, is being made in Australia and New Zealand.

Part of the new feed mill of the Poultry Producers of Central California, at Petaluma, is 170 feet high.

Need For Museum To Preserve Historic Relics Cited

(Editor's Note: This is the second article in a series by Wallace M. Ripley of the El Dorado County Chamber of Commerce emphasizing the need for an historical building in El Dorado County.)

THE NEED TO PRESERVE HISTORICAL RELICS

In the first article of this series emphasis was placed on the historical importance of El Dorado County through its contribution of both important events and noted civic and industrial leaders. It was suggested that a suitable historical building is needed to perpetuate the memory of these men and events.

Let us consider this need from another very important standpoint. Scarcely a month goes by without some of these relics being lost through one cause or another. Several disastrous fires alone have wiped out whole collections during the past two years; petty thieves have steadily plundered both private and public collections of which the continuous depletion at the

Marshall Museum in Kelsey is a constant reminder, and the loss through the purchase by out of town collectors cannot be estimated either in quantity or value.

Several persons living in various sections of the county have already generously offered to make loans to a county exhibit as soon as a safe place is provided. These same people are eager to assist in bringing this to pass and to place their objects of historical and educational value where they can be appreciated by the general public. If this is not done soon, the time will not be long before much of El Dorado County's heritage will entirely disappear. Now is the time to save this heritage to posterity.

\$100,000 FIRE HITS POULTRY PLANT AT SANTA ROSA

SANTA ROSA, (UP)—Damage from a fire that destroyed the Santa Rosa plant of the poultry producers of Central California was estimated today at \$100,000.

The blaze broke out a few minutes after the last employees left the plant. It was believed the fire was caused by defective wiring. Firemen succeeded in saving adjoining buildings, but the main plant was a complete loss.

U. S., British Warships Speed To China Port

SHANGHAI, (UP)—United States and British warships raced toward Amoy today as Japanese navy authorities threatened to ignore foreign rights in their attack on the island port.

The American gunboat Asheville arrived at Amoy today, after an all night race up the coast, and was prepared to evacuate the 38 Americans if necessary. The cruiser Marblehead was known to be on its way, the destroyer Edsall was reported steaming at forced draught down from Tsingtao, and reports from Manila indicated that a destroyer flotilla might be ordered from there.

45 Arrested In Drive On L. A. Gambling

LOS ANGELES, (UP)—In a series of gambling raids, district attorney's investigators, deputy sheriffs and police today arrested 45 poker, dice and blackjack players and confiscated dice, cards and cash as evidence, and in other raids seized 17 slot machines.

Among the places raided were the Potrero country club and the Labor Temple.

All those arrested pleaded guilty before Judge Oda Paulson and were fined \$100, with alternative of 50 days in jail, both suspended.

Cotton Chopping Wage Cut 25 Cents

FRESNO, (UP)—A reduction of 25 cents an acre for cotton chopping was effected in the San Joaquin Valley area today following a meeting of growers and representatives of the cotton industry here.

A price of 75 cents an acre will be paid to cotton choppers this year, in place of the \$1 per acre wage scale which was in effect last year, according to the growers' agreement.

PERFECT HAND

LOS ANGELES, (UP)—Lee Belden, dealing the cards in a game with his friends, gave himself a perfect hand of 13 spades. He was so shocked that he drew down his cards and forgot to bid.

Earl Lee Kelly Hurt In Auto Wreck

SUSANVILLE, (UP)—Earl Lee Kelly, California director of public works, Harold Norton, his assistant, and Charles Bovey, chauffeur, suffered injuries last night when their automobile overturned in a ditch.

The accident occurred at Janesville, 12 miles south of here, when Bovey attempted to miss a pedestrian on the road who failed to hear the automobile horn or notice approach of the car.

The pedestrian, Arthur Downing, continued across the road to milk his cow without noticing the accident. He is hard of hearing.

Million Quinine Pills For Relief In China

SAN FRANCISCO, (UP)—One million quinine pills were enroute to fever sufferers in China today. The supply was purchased by the Chinese war relief association and placed aboard the liner President Pearce which sailed for the orient today. The pills will be distributed among the 125 field hospitals in the Hankow battle area for use in combating malaria.

Bali Player Held For Teammate's Murder

CAMDEN, Ark., (UP)—Jack Foster, 32 year old player on the Benton, Ark., baseball team, was charged with first degree murder today following the death of Curtis Caron, his 26 year old teammate.

Carson suffered a fractured skull when Foster allegedly struck him in a ball park shower room on April 24.

WARRANTS STOLEN FROM AUDITOR'S OFFICE AT FRESNO

FRESNO, (UP)—Las Vegas, Nev., police today were warned to be on the lookout for a man identified as Carl Edmundson, who was reported to have cashed a stolen Fresno county warrant for \$233.59 several days ago.

The warrant was from an undetermined number stolen April 30 from a basket beside a mail box in the Fresno county hall of records. Five others were cashed in the San Francisco Bay area last week.

The Oakdale district, San Joaquin valley, is ready to begin delivery of irrigation water.

BARTHOLOMEW NAMED

NEW YORK, (UP)—Announcement was made today of the election of F. H. Bartholomew as a vice president of the United Press.

BRAZIL CRUSHES FASCIST REVOLT; NINE KNOWN DEAD

By DAVID J. WILSON

United Press Staff Correspondent
RIO DE JANEIRO. (Copyright 1938 by United Press)—Government forces crushed a Fascist uprising today in 12 hours of street fighting during which President Getulio Vargas defended his Guanabara palace almost single handedly with a revolver.

The last rebel stronghold, on Governor's Island in the bay, fell at 11 a. m. Authorities at the medical institute said at noon that nine were known dead.

Among those taken into custody was Prince Don Pedro De Orleans Y Braganza, second son of the pretender to the "throne" of Brazil. He was shot in the leg. He asserted that he had been en route to the palace to defend Vargas.

\$200 Murder Fee Bared In Woman's Suicide

CANTON, O., (UP)—Police held Duober S. Cable, a contractor, on an open charge today and revealed that a suicide note left by his admitted paramour, Mrs. Theresa Ludwig, charged that the killer's of Cable's wife, Rose, a year ago, were paid \$200 for the slaying.

Taxpayers Petition To Restore "Health" Well

WARSAW, Ind., (UP)—A group of Warsaw residents has petitioned the city council to restore a well which, it was produced water with medicinal properties that would cure rheumatism.

The well, 1,000 feet deep, ceased to flow about a year ago. The petitioners, headed by Justice of the Peace, Edward B. Smith, said the water contained iron and sulphur "in the exact proportion to cure rheumatic pains."

Miss Violet's got Rhythm

Miss Violet Parsons, she gives piano lessons, so I'm tryin' to talk her language.

"Miss Parsons," I says, "drivin' a car nowadays is like doin' that 'Big Apple' dance. It's all stop and go. I bet you stop and start a dozen times a day, going around givin' kids lessons.

"Well, when you do stop your car, your oil all drains off the movin' parts in your engine. Then you start up. Right there a lot of wear happens.

"That is, unless you use an oil that 'snaps into it'—flows fast, you know, whenever you start.

"Now, we got that kind of oil. Here it is right here," I says, showin' a bottle of Golden Shell.

"And it's only a quarter.

"Gosh, Miss Violet, it just makes music in your motor! . . ."

"All oil just look's gooey to me," she comes back.

* * *

Miss Parsons ain't mechanical, you see. But I ain't musical, so that makes us even, I guess. Anyway, Miss Violet's got rhythm in her motor since she took my advice and bought Golden Shell.

Sincerely,

Your Shell Dealer
